

1. Enrolment

Enrolment at our sports centre can be done online through our website www.goederaadsport.nl (hereafter: our website). There are two types of subscriptions: monthly subscriptions (see under 3) and stamp cards (see under 4).

2. Cancellation

Cancellation of a monthly subscription is only possible in writing, namely by letter or an email to goederaadsport@gmail.com. Stamp cards expire when all stamps on the card have been used or when the expiration date is reached. They do not need to be cancelled.

3. Monthly subscription

3.1 Minimum contract term. The minimum contract term is three months. Hereafter, there is a notice period of one month, if you wish to terminate your subscription. July and August are free of charge. Therefore these two months are not included in the minimum contract term. For example, a subscription that starts on the 1st of February will at least last until the 30th of April. If it starts on the 10th of June, it will at least last until the 9th of November.

3.2 Subscription fee. Customers up to and including fourteen years of age pay the youth rate; customers of fifteen years and older pay the adult rate. Information on subscription fees are on the website.

3.3 Payment. Payment of the monthly subscriptions is by means of automatic collection. The fees will be collected from your bank account on/around the 28th of the previous month. So payment on the 28th of May is for the classes in June. When enrolling online, authorization for automatic collection is given by payment through iDeal and acceptance of the Terms & Conditions. When a monthly subscription is added to your account after having used a stamp card, authorization is given by filling out an authorization form.

3.4 Not enough money in your account. You are required to make sure there is enough money in your bank account to enable collection of the fees. If collection is not possible, we will try again within three weeks. If collection is still not possible, there will be an extra charge of € 5,- after the first period of 30 days.

4. Stamp cards

Stamp cards have a certain number of stamps and a limited validity period. The various stamp cards we offer, are on our website.

4.1 Purchase. New customers buy our stamp cards online through enrolment. If a customer already has an account a stamp card can be purchased on the webportal or by sending an email to goederaadsport@gmail.com. The try-out course Judo can only be purchased once and is only available for kids up to 14 years old.

4.2 Trial lesson. If your kid has already had a trial lesson, this will be stamped off the card for the try-out course. It is not possible to get both.

4.3 Students discount. Students can get a discount on stamp cards for adults by sending an email to goederaadsport@gmail.com. The discount is 20% and is only available for students of MBO, HBO or University by showing a college identification pass.

5. Injury or illness

5.1 On Hold. If you cannot participate in the classes for at least one month due to medical reasons, you can ask for your subscription to be put 'On Hold'. After the On Hold period is terminated you may have a credit resulting in a discount. If your subscription is On Hold for a period longer than a year, your subscription may be terminated.

5.2 How? You should notify us in writing (letter or email) of your illness and as soon as you are able to exercise again. Retroaction is not possible.

6. Duration of the classes and schedule

Classes are either 45 or 60 minutes. You can see the duration in the registration application. The trainer can deviate from the duration by a few minutes. The sports centre has the right to change the schedule or cancel lessons.
